Details

1966 Cessna A185E Skywagon

A rare opportunity to purchase one of these great performing aeroplanes right on your doorstep. This one has been upgraded by installing the more powerful Continental IO-550 engine and high performance Hartzell three bladed propellor. Then to top it off it has a sportsman STOL kit to enhance slow speed handling and take off & landing performance.

Recent new exterior paint and tasteful interior trim in leather and matching vinyls.
